PROGRAM STRUCTURE

Next Door is the EHS CCP grantee and we partner with 9 childcare centers throughout the city of Milwaukee. We provide payment to our partner sites based on enrollment on a monthly basis. Our partners serve a combination of families that are homeless, grandparents/aunts/uncles raising children, families that care for children in foster care, teen parents, dual language families, military and working families. We support partners with instructional coach, success coach, family advocate, health advocate, mental health/disabilities consultant, and compliance monitor. We offer quarterly EHS/HS new staff orientations, quarterly large group PD and upon request PD in various topics. Contracts are reviewed and renewed with partners annually. Monthly COP's are facilitated with partner directors to maintain engagement and provide program updates.
